● **Reservations**

Reservations for picnicking and sports facilities are only accepted for Redwood Road Park and the Glenmoor Ball Diamond. Reservations must be made in person at the Parks & Recreation Office, 10996 S. Redwood Rd. No reservations will be made over the phone. Deposit is required when reservation is made. Redwood Road Park is available for reservations year round.

Due to demand, only one reservation per family per year will be accepted for the picnic bowery for a weekend date. A second reservation can be made for a Monday through

Thursday date. Contact the Parks & Recreation Department at 253-5230 for more details.

Pavilion Reservation Agreement Form
Pavilion Use Reservation Policy

● **Open Space Update**

● **Open Space Preservation**

South Jordan City continues working closely with the Utah Reclamation Mitigation Conservation Commission (URMCC), the Trust for Public Lands (TPL), and other parties to secure and acquire properties for inclusion in the Jordan River Parkway. The City is currently involved in negotiations with developers for dedication and development of parkway land west of the Jordan River south of 10600 South. Mulligan's Golf Course north of 10600 South recently expanded its operation beyond its driving range and miniature golf activities to include two 9-hole executive golf courses thereby increasing the open space commitment in this quadrant.

● **Jordan River Parkway Trail**

A new section of the Jordan River Parkway Trail will shortly be under construction. The section of trail to be constructed is from 10600 South to 11600 South. The anticipated completion date is scheduled for October 15, 2001.

● **River Front Pond (formerly known as Midas Creek Pond)**

The 3/4 acre pond is located at 11200 South and is part of approximately 22 acres of natural habitat on the west side of the Jordan River. The pond provides angling opportunities for rainbow trout stocked by the Division of Wildlife Resources. The Jordan River hosts a variety of warm water fish species. A variety of bird and waterfowl may also be seen.

● **Other Recreation Facilities in the City**

- Salt Lake County Equestrian Park
- Marv Jensen Recreation Center (Salt Lake County)
- Salt Lake County Rad Canyon BMX Bike Park (on unincorporated county land)

Golf

- Mulligan's Golf
- Glenmoor Golf Course

● **Cemetery Information**

South Jordan Memorial Park is located at 10630 South 1055 West. For cemetery record information, or to purchase graves, please call the Cemetery Office at 253-5230.

[Facts](#) | [Honors](#) | [Test Results](#)

Principal: William Hanvey

Enrollment: 782. (year-round calendar)

Boundaries:

South Jordan Elementary is located on 10400 South in the center of a rapidly growing community rich in family traditions and values. Families in the area are supportive of the school system and willingly volunteer hundred of hours of service to the school each year.

The South Jordan goal is to help students become useful, contributing members of society by teaching academics and responsible citizenship, and by helping each other gain a sense of self-worth.

Facts About South Jordan Elementary

- South Jordan Elementary serves 782 students from kindergarten to sixth grade.
- The school operates on a year-round schedule. Students are divided into 4 attendance groups or tracks. Each track has approximately 45 days of school followed by 15 days of vacation. The school takes a common vacation during the month of July. The school day begins at 8:30 a.m. and ends at 3:25 p.m. except on Friday when school is dismissed at 1:25 p.m. to allow teachers time for planning.
- The teacher/pupil ratio is 1 to 22.00 in first grade, 1 to 22.30 in second grade, 1 to 23.80 in third grade, and 1 to 25.90 in grades four, five and six. The actual class sizes vary.
- The curriculum follows state and district guidelines and provides students with a solid foundation in basic skill as well as many opportunities for enrichment experiences.
- A team of highly trained professionals with diverse talents and interests provides students with a broad range of learning experiences.
- Teachers are formally evaluated on a regular basis. Improvement in teaching skills, student achievement and self-concept are emphasized.
- Resource, speech and guidance services are available for students with learning disabilities and handicaps. qualified resource teacher helps meet the academic and emotional needs of eligible students.
- Technology training is part of the school curriculum. A computer lab is available to all students in grades K through six. Students learn keyboarding skills, writing skills, problem solving and drills to practice skill improvement.
- Curriculum improvements and enrichment are top priorities at South Jordan. In recent years, the focus has been on building competency in the basic skills and in developing school-wide programs for gifted education. We also use cooperative learning strategies with our students.

We also use cooperative learning strategies with our students.

- South Jordan students are expected to share responsibility for learning which includes attending school regularly, being on time and being cooperative and respectful.
- School lunch is served each day. Lunches are prepared on-site and served in the school cafeteria. The price \$1.35 for lunch.
- Bus service is provided for all students who live 1-1/2 miles or more from school. A large majority of the South Jordan students live within walking distance of the school.
- South Jordan has an active PTA organization which meets monthly to coordinate school programs and volunteer services.
- A School Community Group, comprised of community, PTA, and staff representatives, provides input and direction on important school issues.
- Parents and community members are encouraged to visit the school. Visitors are asked to stop by the office before entering classrooms.
- Parents are asked to call the school each morning when their child will be absent. The school calls the home of students who are absent to make certain that they are safe. [Top](#)

We Proudly Note

- Teachers provide a positive, nurturing classroom environment where students have opportunities to reach their learning potential. Some 81 percent of our parents rate the school as "Excellent" at helping children think highly of themselves.
- South Jordan Elementary houses an early morning choir and an orchestra. The Rocky Ram Award, an on-going academic challenge, is given to individuals completing academic task cards. Other gifted and talented programs include Monster Math, World Wonders, Creative Pursuits, Student Treasures and Bare Books, Science Fair Preparations, History Fair and Talented Young Authors.
- South Jordan Elementary was selected as a Utah Centennial School, 1996-1999.
- In 2000, Marian Jackson, an upper grade teacher, was a recipient of the Huntsman Award for Excellence in teaching.
- Judy Park, the school secretary, received recognition as one of the ten outstanding classified employees in Jordan School District in 2000-2001.
- Teachers voluntarily participate in hours of inservice to improve teaching techniques.

Test Results

The **Stanford Achievement Test, 9th Edition, (Stanford-9)** is a general achievement test that provides a barometer of how students compare to others in the country in the areas of reading, mathematics, language, science and social science.

[View Results](#)

The **Utah Core Criterion-Referenced Tests (CRT)** are developed by the Utah State Office of Education and Utah educators specifically to measure how well students have learned Utah's Core Curriculum.

Principal: Steve Park

Enrollment: 1,418

Assistant Principals: Sandra McKilligan
Dennis Edmonds

Boundaries:

South Jordan Middle School is located in the western part of the city of South Jordan. This area is rapidly changing from an agrarian community to an urban society. The patrons of this middle to upper income community are highly supportive of the school and have a keen interest in the concept of educational excellence which includes curriculum, instruction, and activities which enrich the educational opportunities for each child.

The South Jordan Middle School staff is committed to academic excellence and is working to help students develop individual strengths, talents and problem solving skills. The school provides an environment where individual differences are valued and the rights of others are respected.

Facts About South Jordan Middle School

- South Jordan Middle School serves 1,418 students in grades seven through nine. The school has an ethnic minority population of approximately 2 percent.
- The school, which opened in 1989, is an attractive, modern design with highly functional classrooms planned especially for the middle school curriculum.
- South Jordan Middle School operates on a traditional nine month, 180 day school calendar. School hours are from 7:55 a.m. to 2:50 p.m. A printed calendar of assemblies, drama, chorus, band, orchestra, and other activities is made available each year.
- The teacher/pupil ratio is 1 to 26.95 in Grades 7 and 8 and 1 to 27.00 in Grade 9 but actual class sizes vary.
- South Jordan Middle School has an experienced faculty trained at universities throughout the nation. All of the professional staff members have bachelor's degrees, and a number have advanced degrees as well.
- Faculty and staff undergo formal evaluations on a regular basis to help assure quality teaching and appropriate use of school resources.
- The curriculum follows the State Core Curriculum and exceeds state requirements. In addition to giving students a good foundation in basic skills, the faculty provides excellent opportunities for students to learn music, drama, foreign language, etc.

- Special education classes in English, math and reading, and counselor-directed study skills classes help students who have special learning needs. Resource teachers, guidance specialist, speech language pathologist, and psychologists are on staff to assist students with special needs.
- Honors classes are offered to qualifying students.
- Vocational classes provide introductory and intermediate training in woods, home ecology, business and computer science. All seventh grade students participate in the Technology/Life/Careers (TLC) program.
- Students are expected to attend school every day and to help maintain a good learning environment. School dress standards are posted and students are expected to dress in clean, modest clothing which is appropriate for school.
- A hot lunch is served daily in the school cafeteria. The student price is \$1.60. An a la carte menu is also available. Service is quick and efficient during three lunch periods.
- Bus service is provided for all students who live two miles or more from school.
- An active School Community Group, comprised of representatives from each elementary school neighborhood in the area, meets regularly to deal with important school issues such as student safety.
- Visitors are welcome and asked to go to the office for directions and other help before visiting classes.
- South Jordan Middle provides released time for special studies in athletics, academics and religion. Top

We Proudly Note

- Even though South Jordan Middle is a new school, our students have won numerous awards for math, music foreign language, vocational keyboarding, essay writing, science projects, magazine writing, and news reporting.
- South Jordan Middle School recognizes student achievement and their positive contributions through several student recognition and incentive programs.
- South Jordan Middle School encourages student involvement and provides many opportunities for students to showcase their talents and develop leadership skills. Among the possibilities are history, science and foreign language fairs, band, orchestra and vocal festivals, and many other activities which promote student growth.

Garbage Collection

South Jordan City contracts garbage collection service through Waste Management of Salt Lake. Their dispatch phone number is 569-8222. Any questions concerning garbage collection should be directed to them. Waste Management provides the garbage containers for their automated system. Billing for garbage collection is included on your water bill and is assessed at the rate of \$9.50 and up, per month, depending upon services. Price Schedule

Water

Each house is billed at \$20.20 each month for water up to 8,000 gallons. Water used in excess of the 8,000 gallons is charged at a rate of \$1.08 per 1,000 gallons.

The Water Department bills each user each month. The monthly billing period is from the 21st to the 20th. Water users are billed for water used during the previous month. For example: water services provided during the period from 7/21 to 8/20 are due on or before 9/20. Payments not received by the 20th of the month are considered late and are assessed late charges at 5% per month or \$.50 whichever is larger. New customers are billed for the entire month, regardless of your service start date. However, the adjustment will come at the time of the first meter reading for actual water usage.

Meter Readings

South Jordan City is currently in the process of changing out the meters to a new electronically read meter system which will change the three times a year meter readings, to monthly reads. The majority of the City is currently on a monthly read, however this is a lengthy and expensive process and we anticipate having this completed as soon as the funding is available. Please contact the water department if you have question on whether your route has been changed.

If a larger summer bill is anticipated, the customer may pay extra on his/her bill to build a credit balance toward the larger summer bills. Equal pay is not available at this time.

Delinquent Accounts

Water bills are considered delinquent if unpaid for 60 days. Water bills which are 60 days overdue, and have at least \$40 outstanding, will result in water service being discontinued. To re-establish service, the customer must pay the outstanding account in full, including a \$15 reconnection fee.

Returned Checks

A \$20 service charge will be added to the water user's account if a check is returned by the bank to the city. If that check was used to pay a delinquent account, then the water service will be discontinued immediately and payment will be on a **cash only** basis.

Discontinuing Services

Any water user who is moving from the service address must notify the Water Department at least 48 hours prior to discontinuing service so that a final meter reading can be taken. Payment of the final bill will be due not later than the 20th of the following month.

Collection

South Jordan Municipal Court handles all collections. The water user will be liable for all court costs and any service fees.

Secondary Water

Some of the subdivisions have secondary water available to use. The charge for secondary water is \$102 per year and billed at \$9.60 a month.

Street Lights

A street light fee of \$1.75, per residence, has been in place for most of our neighborhoods for many years. Approximately 80% of all subdivisions have been paying the street light fee for nearly five years, or since the subdivision came on line. This fee has been extended to the balance of those residents and businesses who have not heretofore been assessed the fee. It was the intent of the original legislation of 1995 to establish the street light fee to all residents. This, for whatever reason, did not occur. The City Council on June 13, 2001, with the adoption of the Fiscal Year 2001-02 budget, extended the assessment to local businesses. The purpose of the fee is twofold: First to provide for a five year plan to implement street lights in all remaining neighborhoods where there are presently no street lights, along with providing street lighting along all collector and major transportation corridors, and in addition to pay for continued maintenance of street lights. Street lighting has proven to deter crime and provide added safety for both pedestrians and vehicle traffic.

Storm Water Fees

Polluted storm water runoff is often transported to separate municipal storm sewer systems (MS4s) and ultimately discharged into local rivers and streams without treatment. EPA's Storm Water Phase II Rule establishes an MS4 storm water management program that is intended to improve the Nation's water ways by reducing the quantity of pollutants that storm water picks up and carries into storm sewer systems, during storm events. Common pollutants include oil and grease from roadways, pesticides from lawns, sediment from construction sites, and carelessly discarded trash, such as cigarette butts, paper wrappers, and plastic bottles. When deposited into nearby waterways through MS4 discharges, these pollutants can impair the waterways, thereby discouraging recreational use of the resource, contaminating drinking water supplies, and interfering with the habitat for fish, other aquatic organisms and wildlife.

In 1990, EPA promulgated rules establishing phase II the National Pollutant Discharge Elimination Systems (NPDES) storm water program. Phase II requires South Jordan City to implement a storm water management program as a means to control polluted discharges from these MS4s. The Storm Water Phase II Rule extends coverage of the NPDES storm water program to certain "small" MS4s, but takes a slightly different approach to how the storm water management program is developed and implemented.

Residents will be charged \$1.50, per month. This funding is necessary in order to comply with the clean water act and the Storm Water Phase II final rule.

More information on Storm Water.

Further questions may be referred to the South Jordan City Water Department at 254-3742. The Water Department is located at City Hall and is open Monday through Friday, 8:00am to 5:00pm (except holidays).
